

Wood County Kid Fish Sponsorship Packet

“Hooked on fishing, not on drugs”

Every year, Wood County Sheriff’s Office teams up with Texas Parks and Wildlife and the Sabine River Authority to host a free fishing event with the idea of getting kids “hooked on fishing, not on drugs” through healthy hobbies, building confidence in our youth and promoting good sportsmanship. The tournament not only promotes fishing as a sport but to also gives children who are less fortunate an opportunity to become involved.

Over the years the tournament has grown in popularity but we cannot do it without our sponsor partners. Items that are provided to families who attend include but are not limited to a free rod and reel, free t-shirt, food and drinks. The catch and release tournament provides the child a chance to win a trophy as well as a “traveling trophy” for the child who catches the biggest fish of the day. The day is concluded with a drawing for a chance to win one of 16 bicycles and helmet.

This event cannot be made possible without the support of our local businesses and volunteers from the community.

If you are interested in making a donation to this event, please fill out the portion below and return to the representative who you spoke with or call 903-763-2201 and reference “Kid Fish”.
